

The Emergency Contact Program

Disaster Preventer

1. Your most recent contact information. If an emergency does occur, we want to be able to reach you quickly, so let's make sure we have the most current ways to get in touch with you. Can you take a moment and get this information to us right away? Thanks!

2. Your Emergency Contact information. What happens in case of an emergency . . . and we can't find you? We call your Emergency Contact. Or, an Emergency Contact may become aware of an emergency concerning you, your property or your family — they can contact us and we'll get your protection rolling immediately. Can you give us the name(s) of one or more relatives, trusted friends, neighbors or colleagues who can serve as your Emergency Contact? If something does go wrong, it may be the most important thing you've done! (Their name will be held in confidence in your personal file.)
